## Captains Corner

Can you believe we have come to a close of another year? It was so disappointing to have to cancel the Turkey Trot tournament. It seems as though the Golf Gods were not with us on Wednesday's this year. I can't number the times I played on a Tuesday, yet Wednesday was rained out.

Along with the upgraded bulletin board inside the lady's restroom at the pro shop a new row of cases has been installed along the wall leading into the pro shop. Thank you to Carl Richie, of the Men's Club, for spearheading this project. Look for Lincsters information shortly.

I can't begin to thank all the fabulous people who have supported me and the Lincsters. Without their help I could not have been your Captain and this club would not have run as smoothly as it has. We have had a fabulous year with fun play days, great tournaments and an overwhelmingly successful Breast Cancer Tournament. In fact, I have felt so supported that I've decided to volunteer to be Captain again, along with Co-Captain -Susan Friedlund, Secretary - Linda Morley, and Past Captain - Susan Mox. The only addition to the Executive Board is Treasurer, Cheryl Brindley, who is stepping up with the support of Kim Schutz. Kim will still be an integral part of the Board as she has taken on the monumental task of re-designing and updating the Lincsters website.

We have a lot of wonderful members who are the mainstay of keeping the Lincsters running. I would love to see new faces volunteering in the upcoming year. Remember, it takes a village to be successful.

**Happy Holidays to you all. May you have a joyful season filled with family, friends and good health.**

## LAP QUILT & AFGHAN DONATION

**A huge shout out to our LINCSTERS, BEV JOHNSON AND CLAREEN BOLTEN, co-chairs of the SCLH Needle Arts Community Service group who are donating almost 50 quilts and afghan's to Lincoln Meadows. They will be delivered along with all the gifts collected at our Holiday Par-Tee.**

## GM Message

Well as much as we don't want to say it, winter is here. The weather is starting to turn and the rainy season is among us. I hope that doesn't stop some of you from still coming out and enjoying the course because as many of you know, the courses drain well and the conditions throughout winter are still very playable.

And just because winter is here, that is not stopping us from making improvements to Lincoln Hills. You may notice that we have begun some concrete work on holes where there are hazardous conditions and broken concrete. Those areas are getting fixed as well as we are very excited about the replacement of all of the drinking fountains throughout the property. All of the restrooms as well as the location at the clubhouse will have new drinking fountains with bottle fillers attached to them to fill up your water bottles. They are all filtered and refrigerated water so in the hot summer months, we don't have to rely on anyone making sure the water jugs are filled up with ice and water. There will be cold filtered water throughout both courses at all times. You will also start seeing some work being done on the back of the driving range as I've hinted to before for the new teaching building in anticipation of the Lincoln Hills Golf Academy. The process will take a few months and we anticipate the grand opening of the Academy on February 1<sup>st</sup> depending on how well the weather cooperates over the next few months. More details to come on that.

The 2025 memberships will be coming out on December 1<sup>st</sup> with the new programs and details to start with signups and renewals. Make sure to check out the website as well as the new bulletin boards outside the golf shop to find more details starting December 1<sup>st</sup>.

Thanks  
Chad Bennett, PGA  
General Manager

## VOLUNTEER

### Photographers

We are looking for volunteers to take photographs during tournaments. It's too big a job for one person. Please let Jane Hall know if you are willing to help.

### Tournaments

A great way to make new friends is to volunteer to help out at a tournament. Contact Susan Friedlund for more information.
