## Captains Corner

I can't thank Kim Schutz, co-chairs Kim Hall and Patty Owens, as well as Financial Chair Jan Varin, and all the committee chairs and committee members, for their outstanding work on making the Breast Cancer Tournament the most successful ever. Of course, there was also a "village" of people who really stepped up to make the day a fabulous success. The "pink pumpkin" décor and the gift baskets were over the top. The final donation for the Placer Breast Cancer Foundation was \$56,400.00! We are helping!!

We had a busy October, what with the Breast Cancer Tournament and our Jokers Wild Tournament to kick off using the new Gold Executive Tee Markers. I hope everyone had fun at the Jokers Wild Tournament, even though there was some confusion. Once the Executive Tees have been rated by NCGA we will be able to include them in league play/sweeps. Until that time, you are welcome, and strongly encouraged, to play from these tees, but be aware that you will not be in sweeps.

There are only three more play days until the end of our season. Fortunately, we will be playing the front nine, which will be a nice way to end the year.

**Happy Thanksgiving to you all**

May your stuffing be tasty,  
May your potatoes & gravy have nary a lump,  
May your yams be delicious, and your pies take the prize,  
And may your Thanksgiving dinner stay off your thighs!

### **GM Message**

We are just about done with tournament season and really slow down with outside events starting in November. We appreciate everyone always working with us to work around outside tournaments as that is a big piece of the success at Lincoln Hills as well as the great membership support we have. November will be a great month to get back to regular golf routines and hopefully the weather treats us right for as long as possible.

I'm sure all of you have noticed us trying to spray out the Dallas grass around the greens and Craigs team is really going aggressive with those spots and I will say that I am a huge fan. I am excited that it seems to be working to eliminate the major patches around the greens and while it completely kills it off and leave a dead patch, you will also see some grass starting to pop through and grow back. These spots will come back with nice grass as time goes on so please bear with us and know that we are actively trying to eradicate it as much as we can and better playing conditions are on the horizon in those areas. I played golf the other day and will also say that the greens are in great shape and rolling true.

I also want to touch on memberships for 2025. We are finalizing details and pricing and all of that information will come out in the next couple of weeks for 2025 membership sales and renewals to start on December 1st with a savings incentive for those who renew before the end of the year.

**A final reminder that the bathroom codes have changed to 1234.** We had to replace a few of the locks on the course bathroom doors so we just decided to change all of the codes to 1234. Please do not share this information with anyone who is not a golfer or member here as we try to keep them only for golfers and no one else.

Thanks  
Chad Bennett, PGA  
General Manager

### **Photographers**

We are looking for volunteers to take photographs during tournaments. It's too big a job for one person. Please let Jane Hall know if you are willing to help.

### **Tournaments**

A great way to make new friends is to volunteer to help out at a tournament. Contact Susan Friedlund for more information.
